

Cookie policy for InfiniteLoove

We use cookies on all our digital pages for the purpose of enhancing your user experience. Our digital pages include www.infiniteoove.com , www.facebook.com/InfiniteLoove , www.instagram.com/InfiniteLooveDotCom and www.twitter.com/InfiniteLooveDotCom

What is a cookie?

A cookie is a small text file that your browser saves to recognize your computer, mobile, or tablet when visiting a digital page. There are no personal information stored in a cookie and they can not harm your device as they can not contain viruses. For example, cookies contain information about user settings and how the service is used, which is helpful to you as a user.

Can cookies be deselected?

Yes you can. On your device, you can determine the access for cookies and deselect this completely. Doing so may affect whether you can use our digital pages.

Today, almost all digital pages use cookies. Therefore, when you visit a digital page from InfiniteLoove, cookies are placed on your computer, mobile or tablet.

Why do we collect cookies on our digital pages?

We primarily use cookies to provide a better customer service for you as a visitor and to make our digital pages work, this is often the case with our business partners. Below you can see examples of which cookies are collected for what purpose.

As we wish to meet users, customers and visitors' wishes as well as possible, we also collect anonymous data that is used to enhance the user experience and our knowledge of the user group as well as to inform and market relevant knowledge to the above groups.
